Change in the announced outlook for 2021

Atlantic Grupa d.d. (hereinafter: the Company) hereby announces the change in the outlook for 2021, previously announced on 28 October 2021 as a part of unaudited consolidated financial results of the Company for the first nine months of 2021.

The Company estimates that, due to better than expected sales results in the last two months of 2021, the total sales revenues growth in 2021 will amount to approximately 8.5%, while the organic revenue growth will exceed 9% compared to 2020 (the expected medium single-digit organic sales revenue growth was previously announced). The expected normalized EBITDA remains at the previously announced level.

Atlantic Grupa d.d.

The expectations of the management are based on temporary results for the 12 months of 2021. The predictive statements include risks and uncertainties as they are related to the events that could, but do not have to happen in the future, and they are not the guarantee of the future results of Atlantic Grupa. The actual results can differ from these expectations and do not have to be a prediction of the future results. The above-mentioned expectations are not the call to buy or sell the shares of Atlantic Grupa, or the recommendation for investment.
